

Strangford Lough Yacht Club

Functions and Venue Hire

Strangford Lough Yacht Club has been established at Whiterock near Killlinchy since 1934, with the first clubhouse erected in 1937. It has been a major centre for sailing on the Lough ever since.

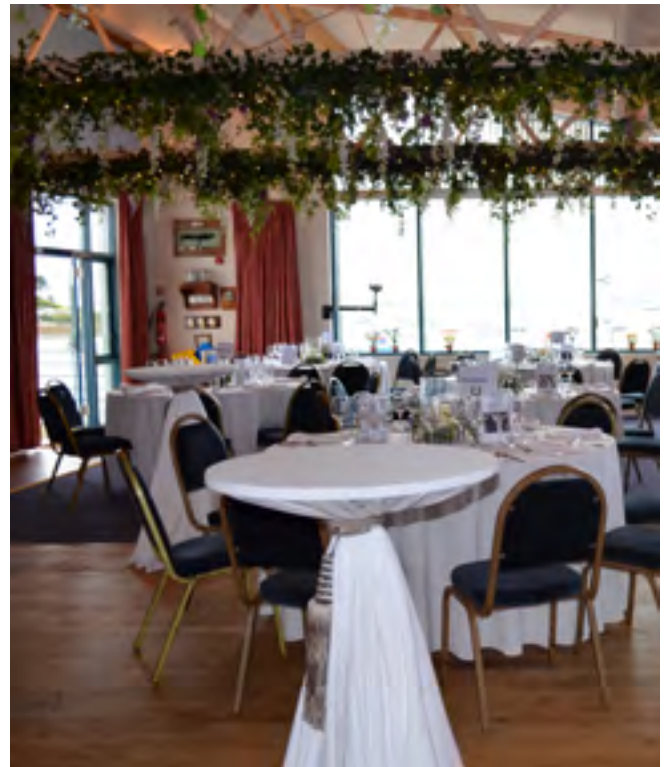

The Club has continuously expanded, with the current clubhouse being officially opened by HRH The Princess Anne in 2000. The Clubhouse offers a first floor function room with lift access if required. It has a fully fitted 5 star kitchen and a bar capable of seating 80-90 people to dine in comfort, or 130 theatre style, with stunning views over Whiterock bay.

We offer a full linen hire service and can prepare the room layout to your specification. You can use your own caterers and party planners or decorators, or we can recommend reliable partners. We can provide bar staff and waiters if required and go that extra mile to ensure your event on the shores of beautiful Strangford Lough is successful and memorable.

For corporate meetings, exhibitions, seminars and group sessions there is the main room with a large screen and also the more intimate Chartroom which can seat 12 in comfort with great views over the bay facilitating a really effective meeting. The Chartroom can be hired by the hour.

The Clubhouse enjoys free access wi-fi and there is easy free parking in and around the site. The Clubhouse is fully heated and ventilated for a comfortable ambience year round.

The Yacht Club is a venue unlike any other, in a perfect setting on the shore. Please call in discuss your requirements with the office, Monday to Friday 9.30am to 5pm or e-mail office@slyc.co.uk or call 028 9754 1883. To find us from Balloo crossroads head east to the shore and the Clubhouse is right there!
