15 RISK STATEMENT

RRS 4 states: "The responsibility for a boat's decision to participate in a race or to continue to race is hers alone"

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- (a) They are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) They are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
- (c) They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) Their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) The provision of a race management team, patrol boats and other officials and volunteers by the event organiser does not relieve competitors of their own responsibilities.
- (f) The provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances.

16 INSURANCE

Each participating boat shall be insured with valid third-party liability insurance with a minimum cover of £2,000,000 per event or the equivalent.

ADDENDUM A

Mark O is an Orange inflatable buoy

Marks 1-5 and Q, R & T are large yellow buoys. All other marks are tall fluorescent orange pipes.

In the race area there are a number of rocks and pladdies marked by either fixed poles or floating black pipe marks which are indicated on the chartlet below. The intended positions of these hazard marks are shown below. All floating rock marks must be passed on the side furthest from the hazard they are intended to guard.

There is an isolated danger mark in the middle of the shallows south of Roe and east of Parton, which is a black and red hooped pipe mark.

There is a pole marking the end of the battery jetty on Trasnagh. Boats must not sail between this pole and the island.
